#### 4 70 TO OUR SUBSCRIBERS & FRIENDS! 11 18 3 32 MISSOURI DEMOCRAT.

The enormous increase in the price of printing paper and other materials used in printing newspapers, compels us to increase the price of The Democrat. Our new terms beginning on the first of January, 1867, are:

DATEY DEMOCRAT—Mail Eubscribers, 1 year,

And notice is horeby given to all persons interested in the above lands and lots, that unless the lands above named be redeemed on or before the 6th day of May, A. D. 1864, and the lots above named be redeemed on or before the 7th day of May, A. D. 1864, they will be conveyed by deel from the County Clerk to the purchasers of said lands and lots; and all chance for redemption from the County Treasurer forever barred against the original owners thereof.

Given under my hand this 11th day of December, 1863-A. E. LOVELL.

WEERLY DEVOCRAT-Single copies per year \$2.00; three copies, \$5.00; five copies, \$8.00; ten copies, \$15.00

Any larger club than ten will be charged as the rate of \$1.50 per cory.

the rate of \$1.50 per cory.

The above rates for all mail subsciptions are psyable in advance. Orders not accompanied with the money, will receive no attention. All papers, of either edition, will be discontinued at the end of time pand for.

From the above it will be seen that we shall raise the prices for the Baily. Tri-Weekly and Weekly Democrat on the let of January next. It is scarcely recessary to go iny to any detail to satisfy our friends of the absence necessit of the step. All are familiar with the extraordinary an rapid increase in the prices of printing paper, caused chiefly by the failure of the cotton supplies, and the consequent scarcity of rags. As long as the war lasts, or until some substitute for rag paper shall have been manufactured in abundant quantities, these prices will continue at their present exorbitant figures, or, what is very probable, will advance still higher. Again, the expenses of the Democrat during the coming winter and spring will be nearly double what they have formerly been. We are determined to make it a first-olass newspaper, and, in pursuance of this design, have already emiloyed a number of army correspondents—have made arrangements to publish full reports, both by telegraph and letter, of the proceedings of the Mississippiriveris opened—and all these in addition to our regular office expenses, which our readers may concede are very heavy, when we tell them that in all the departments of our paper we constantly employ a force of more than ninsty mea. In view of these things, we believe our friends will cheerfully agree with us as jothe accessity a uninerosase in our subscription prices.
